

Weethalle Public School News

Empowering learners for their future

Welcome back to Term 3!

Holidays are a great time to rest and recharge. I can't wait to get back in the classroom, roll my sleeves up and get stuck into it.

I am massively passionate about learning, especially in the areas of literacy and numeracy. I am looking forward to meeting all the students, getting an understanding of where they are at, and making a real impact on their learning with a great teaching team.

In short, I have spent my previous 4 years as Assistant Principal of Ungarie Central School. I have thoroughly enjoyed my time and am definitely keen to bring my knowledge and experience in leadership, teaching and learning to Weethalle Public School for Semester 2. I have spent time in the holidays to meet up with Mrs. Glyde and Mrs. Heaslip and my first experiences with Weethalle and the school have all been positive.

Enough for now, time to get to it. I will meet you all soon.

Regards,

Brett Davies
