Weethalle Public School News

Empowering learners for their future

The last week of Term 3 has come around so quickly. We have had a very busy term of learning with lots of families looking forward to the holidays.

SPELLING BEE

Congratulations to our Spelling Bee finalists who competed in Griffith. Zara Hugg and Molly McCarten both made it to round 3 with only 4 students out of 40 making it to the final round. A terrific effort from both girls. Well done also to Phoebe Skillin and Chelsea Hugg who also competed very well in the senior section. We are very proud of all the girls.

RIVERINA ATHLETICS

Congratulations also to Leah Caldow who came 4th in the Riverina high jump just missing out as the first 3 places go through to state. Leah also came 7th in the Riverina for discus. Well done.

EXTERNAL VALIDATION

Last Thursday, I finally completed our school External Validation submission. There will be a two hour panel interview on Thursday week 1 to discuss the report and provide any additional supporting evidence.

PLAN PROGRESS REPORTS

PLAN progress reports went home on Friday. They contained useful information on each students Literacy and Numeracy achievements and lots of ideas for ways parents can help their child at home or specific areas of need. Please contact your child's teacher if you would like to discuss their progress.

Habit of Mind Awards

Chloe Bischard for using her imagination and creativity to explore possibilities in her learning.

PEER SUPPORT

This week children will be focusing on the skills of winning in a friendly way and coping with losing. The children will participate in various activities and discuss how to accept the outcome of a game, no matter what it is, in a friendly way in order to maintain those friendships.

During the week encourage your child to practise these skills in all aspects of life - whether it be weekend sport or choosing what to watch.
