Weethalle Public School News

Empowering learners for their future

SMALL SCHOOL MATHS DAY

What an awesome week we have just had, Our Small Schools Maths Day was again a huge success. The weather was extremely kind to us also, with over 100 children and 30 adults our school was full to the brim. Our 6 little schools were certainly one much larger school on Wednesday. A huge thank you to all those wonderful parents and staff members who helped make this day such an enjoyable learning experience for every individual student. Your help is greatly appreciated as always.

TREE PLANTING DAY

Weethalle P.S students also did some valuable community service, planting 80+ trees with the Bland Shire Council in an environmental

beautification project in the village. We are certainly developing responsible Global Citizens who care deeply for the community in which they live. Thank you to the Bland Shire for providing the sausage sizzle lunch.

SMALL SCHOOLS PUBLIC SPEAKING

Congratulations to Sophie Luelf who came 3rd in the Small Schools Public Speaking competition. What a fantastic achievement for her first public speaking competition. Well done Sophie.

PEER SUPPORT

Types of friends is the focus in Peer Support this week. Children will explore what encourages them to form friendships with different people (common interests, admirable qualities etc.). Through various activities children will identify that their friends can fall into the categories of 'best friends', 'friends' and 'People we know'. Children will also discuss the fact that friendships can change over time for various reasons.

SCIENTIFIC SUPERSTARS

On Wednesday, Sally Russell from the Lake Cowal Conservation Centre, will be bringing to our school a group of expert scientists. Students will be involved in Robotics science and other science activities. Rankins Springs P.S will be joining us for this "Scientific Superstars" Day. Students in years 3-6 and K-2 will be engaging in some very exciting activities. Lunch and recess as normal.

ASSEMBLY

Our whole school assembly will be held this Friday at 2:30 pm. We look forward to having lots of parents and community members joining us in the celebration of the achievements of students at Weethalle P.S.

2017 KINDER TRANSITION

The 2017 Kinders Transition Program will be held weekly during term 4. Enrolment applications are available from the office.

Please contact the school for a form and to give notice of your child's intent to attend the transition program. A timetable will be distributed to those participating.

K/1/2 NEWS

News topic for this week is: 'My favourite things to do at school'

Next week's news topic is: 'my favourite picture book'.

In science under our topic 'water works' we will be looking at rain and what happens when it falls on different surfaces and we will observe rain soaking/running off different surfaces. We will also begin to look at places rainwater is collected.

This week's shared reading books: Flood by Jackie French and The Staircase Cat by Colin Thompson.
