# Weethalle Public School News

Empowering learners for their future

## ASSEMBLY

Congratulations to all those who received merit awards at last week's assembly. Special congratulations to Lily McCarten, Leah Caldow, Molly McCarten, Sophie Luelf, Thomas Sinca and Luke Anderson who received a Silver Award for reaching 100 Dojo Points, and Phoebe Skillin who received a Bronze Award. Well done everyone.

## P & C FUNDRAISER

It was wonderful to hear that the P & C raised \$530.00 at their Election Day cake stall and BBQ. Thank you to Narelle Cattle and her band of helpers on the day and to everyone who cooked cakes, slices and biscuits. Parents commented on the wonderful atmosphere as everyone stayed around chatting. Our school is a positive focal point for the entire community.

## SCHEDULED BLACKOUT

On Wednesday, we have a scheduled blackout from 9.30 am - 2.30 pm. We have made arrangements to travel to Rankins Springs PS by bus and use their facilities. The Rankins Springs PS SRC have invited us to join in their Footy Colours Day. A gold coin donation will go to the "Fight Cancer Foundation".

## **REGIONAL SPELLING BEE**

On Thursday, our school representatives will be attending the Regional Spelling Bee finals at Griffith East PS. Good luck to Zara Hugg, Molly McCarten, Chelsea Hugg and Phoebe Skillin. Enjoy the experience and have fun. We look forward to hearing how you go.

## **PEER SUPPORT**

This week in the Peer Support session, children will be focusing on the importance of support networks and the role that friends play in each others lives. Children will construct a visual representation of this during the session. Encourage your child to identify friends they have who can provide support to them if the need arises.

## **RIVERINA PSSA ATHLETICS**

The Riverina PSSA Athletics Carnival will be held in Albury on Friday. Best wishes to our relay team of Molly McCarten, Leah Caldow, Monte McIntyre and Lily McCarten. Good luck also to Leah Caldow for her individual events.

## **ICAS MATHS**

The ICAS Maths test which is scheduled for Friday will now be held on Monday due to a clash with Riverina Athletics.

## **LITERACY AND NUMERACY**

This week all students will be bringing home progress reports based on literacy and numeracy continuum data. There will be ideas you can use to help your child at home. If you would like to discuss your child's progress, 3-way interviews will be held on Thursday Week 10. Please book an appointment time with your child's teacher or the office.

## **SCIENTIFIC SUPERSTARS SCIENCE**

Our Scientific Superstars Science Day was a huge success with all students K-6. The primary robotics session was amazing with students being introduced to computer programming of robots. They were all thoroughly engaged and were keen to purchase kits for the school.

## 2017 KINDER TRANSITION

The 2017 Kinders Transition Program will be held weekly during Term 4. Enrolment applications are available from the office.

Please contact the school for a form and to give notice of your child's intent to attend the transition program. A timetable will be distributed to those participating.
