FROM THE PRINCIPAL

We had a fantastic day last Friday at Beekom, Thank you to Mr Rose for all your organisation it was a fantastic day. While we were busy getting colourful, our Relay team were busy resting after their amazing state carnival results. I would like to congratulate the team on their efforts throughout the year at each of the carnivals, and thank the parents who have had a busy year transporting the team to various carnivals. All your hard work has paid off and you should be very pleased with your efforts.

Tomorrow the Education Director, David Lamb will be visiting the school, to chat about school planning and observe what is happening in our classrooms. From this meeting we will establish the departments key objectives for public schools and how they will fit in the context of our school. On Wednesday I will be meeting with the REIN principals to discuss similar items around school planning. A report on the discussions will be given at next weeks P&C meeting where I will be asking for parent feedback on what direction our community feels our school should be heading in the next 3 years.

I hope everyone has a great week

A message from Mr Rose (Beckom Principal)

Thank you for coming along today. It was a great day with the kids all having a terrific time. The comments from my P&C have been so complementary about the manners and participation of the kids. They have also commented on how well the kids mixed in with each other.

Thank you also for all your work in promoting and collecting for the event. After counting the money that came in today and money that has been donated on line already we have a total of....

\$1803.42

When we add the profit from the food stall and raffle we will be over \$2000. For such a small group this is a truly remarkable result.

Please thank your communities on behalf of myself and Beckom PS community for this incredible effort.

A Quick Bite ...

Putting FUN into fundamental

We've been talking about the Fundamental Movement Skills the past few newsletters. Here are some games ideas you can try at home for overarm throw.

Water bombs – Simple and a lot of fun. Equipment: water bombs, a target plus a good sized open space. Activity: Fill water bombs with water. Set up a target that can be soaked with water (e.g. a box, a target drawn on an outdoor wall) and get your child to throw at the target using the correct overarm throw.

Getting on Track in Time – Got It!

Got It! is a new program supported by the NSW Ministry of Health, and the NSW Department of Education. Weethalle Public School has the opportunity to participate in this exciting new program.

The *Got It!* team will be working with children in 2018 Kindergarten to Year 2, aged 5-8 years (Early Stage One and Stage One) and their parents, who may be experiencing problems with challenging and disruptive behaviour- at home or at school. The program will give families the opportunity to be part of a fun and supportive group that can improve child behaviour and family relationships and help parents deal with difficult behaviours. For some of these families this will include a 10 week group program.

Challenging and anti-social behaviour often causes problems in many areas of a child's life. It can also be stressful for their family, friends and community.

Sadly, these children can often be seen as 'naughty', rather than as children who are struggling with organising their thoughts, feelings and behaviours.

Got It! aims to provide support and practical help to children and their families, and also to support the school community to help children get the most out of the opportunities available to them.

The *Got It!* team is looking forward to working at Weethalle Public School during the rest of this year and throughout 2018. We would like to thank the whole school community for your commitment to improving the wellbeing of children and families at Weethalle Public School.

All families will be asked to complete a questionnaire for each child in Kindergarten, Year 1 and Year 2. Please help us by returning this form ASAP.

Please direct any specific enquiries to your child's teacher.
