Term 4: Week 4

### FROM THE PRINCIPAL

We would like to welcome Georgia Rowe and Kailey Colwill to Weethalle Public School who will be working in our classrooms over the next 3 weeks as part of their teacher training course with Charles Sturt University. Miss Rowe will be working in the 3-6 room and Miss Colwill will be working in the K-2 room.

Mr David Lamb the Director of Education visited our school last week and was very happy with our progress this year, while he was here he was able to observe a lesson in the 3-6 room and he commented on how polite students were and how well they worked throughout the lesson. Mr Lamb also gave some valuable feedback on our School Plan and made suggestions on how he would like to see the school progress in the next 3 years.

I hope to see many faces tomorrow afternoon at the final P&C meeting for the year, in this meeting I will be asking for suggestions of the directions parents would like to see the school take in the next 3 years and feedback on the activities that have been run throughout the year.

### A Quick Bite ...

#### What are ... Fundamental Movement Skills (FMS)?

Are Fundamental Movement Skills a skill in the sense that they need to be taught and ultimately 'mastered'? The short answer is 'yes'. Being skilled in certain movements can help children in many ways.

Fundamental Movement Skills are developed over time and, if taught correctly, can help children gain confidence in many sports and leisure activities. This impacts on

social skills, acceptance, self-confidence and motivation for children to follow a healthy journey throughout their lives.

There are 13 different Fundamental Movement Skills such as overarm throwing, running, catching, jumping and leaping.

Through the Munch & Move and Live Life Well @ School programs children are given the chance to learn and practise these skills at their age level.

# THE GRINCH

I'm sure all parents are aware that students will be taking part in The Grinch performance at the end of the year. Below is a list of each student's role and costume ideas. We have been able to put together most of the costumes with what we already have, however we would be grateful if parents are able to contribute in any way. We would like to see students as "Christmassy" as possible, this may include Christmas earrings, badges, hairbands etc.
