6th November 2017

Term 4: Week 5

### FROM THE PRINCIPAL

Thank you to those parents who attended the final P&C meeting last Tuesday, it has been fantastic working with parents through out the year to achieve successful outcomes for our students. Thank you to each and every parent for the encouragement and support you give to your children and for the extra duties you have, like attending sports carnivals, special days, transporting children to events, helping out in the canteen, and joining together to celebrate our student's achievement at our assemblies. Without your on going support our school could not be the wonderful learning environment that it is.

Tomorrow students are welcome to come dressed to celebrate the Melbourne Cup. We will have a small fashions on the field following morning assembly.

Next Friday coinciding with our merit award assembly we will be having a 2 for 1 Scholastic book sale and jump rope for heart fundraiser. Parents are invited to come in from 11am onwards to browse through the sale and purchase books.

Thank you

### Recipe of the Week

#### Ingredients

- 4 Tom's Farm Fresh Eggs (at room temperature)
- Pinch of salt
- 3/4 cup of caster sugar
- 1 cup self raising flour
- 4 tbsps of boiling water
- 1 dessertspoon butter

#### Nan's Fluffy Sponge Cake

#### Method

1. Preheat the oven to 170°C Fan Forced or 180°C Electric.
2. Grease two 8-inch (20cm) round tins and dust with flour, shaking out any excess.
3. Crack the four eggs into a bowl, add a pinch of salt, and beat until they just reach the frothy stage.
4. Add the sugar a little at a time, beating as you go, this will get it creamier and creamier.
5. After 8-10 minutes on medium speed, take the beaters out and draw a figure eight. You need to be able to see the figure eight on the top of the mixture.
6. Sift the flour into a bowl.
7. Add the butter to the boiling water.
8. Add the flour to the egg and sugar mixture, incorporating this gently with a whisk until combined.
9. While folding in the flour dribble in the water and melted butter mixture.
10. Divide the mixture between the two tins and stick them in the oven, check after 15 minutes. If not ready, cook for another five minutes (or until cooked). The cake is ready when it starts to come away from the tin and it springs back when touched lightly in the centre.
11. Gently turn the cakes onto a tea towel lined cake rack.
12. Cover with another tea towel and let it cool for about 30 minutes. Once cooled fill with your choice of filling and serve.
