Relieving Principal: Jason Hurley

13th November 2017

Term 4: Week 6

### FROM THE PRINCIPAL

Thank you to those parents who have returned surveys so far. Your feedback is a vital part of our school planning process.

Last week Miss Clark and myself reviewed our current practices and developed ideas for future school improvement. Today I have been working in West Wyalong with Principals to place these ideas into an official school plan document. After this process is complete parents will be invited to review the draft plan to provide feedback and make any necessary changes to ensure the plan accurately reflects the needs of the entire school community.

Tomorrow I will be taking our Enviro

Champs to West Wyalong to present their Bird Box prototypes to the community of schools involved with the program. Their presentation is great and their prototypes look amazing.

I look forward to seeing many of you at our assembly this coming Friday.

Reminder this Friday students will be having a jump off during lunch and a 2 for 1 book sale will be held throughout the day.

Thank you

Jason Hurley  
Relieving Principal
