Term 2: Week 6

### FROM THE PRINCIPAL

Thank you to all parents who transported students to the Cross Country Carnival last Friday, and congratulations to all students who participated.

It is a busy time for our senior students, last Wednesday students from years 5 and 6 participated in a Leadership Conference in Griffith, students enjoyed the day and learnt how they can use their skills to help initiate projects in our school. Today the senior students will participate via video conference in the Small Schools Debating competition and tomorrow 4 primary students will

be travelling to the Lake Cowal Conservation Centre to participate in the EnviroChamps program. Please look out for updates and photos on all these events on Class Dojo.

I would like to extend a warm welcome to the community to attend the Biggest Morning Tea this Wednesday and our school Athletics Carnival next week. Please see further information in newsletter.

In maths this week we are learning to create, represent and continue a variety of patterns with both numbers and objects.

In literacy we are looking at how the language we use in our writing differs according to the purpose, audience and subject matter. We have been writing and illustrating our own picture books.

On Wednesday we will be heading down to the local museum to have a look at some of the local history. This small excursion will tie in with our history unit as we are looking at personal and family histories and present and past family life.
