7th August, 2017

Term 3: Week 4

FROM THE PRINCIPAL

Thank you for the overwhelming response to our education week celebrations last week. It was wonderful to see so many parents, friends and relatives engaging with their children in the various activities held throughout the day.

We have a busy couple of weeks ahead of us. Tomorrow I will be in West Wyalong to be trained on how to implement the new online NAPLAN test. This will be followed up with a trial test next week for students in years 3 and 5.

This coming Thursday is the Zone Athletics carnival in Griffith, we would like to wish all the students the best of luck for this event.

Next Wednesday we will celebrate book week, there will be a book fair in the Library and students are

Education Week Activities included Scrapbooking with Mrs McIntyre, Gymnastics with Mrs McCarten, Fitness

Just a Reminder that
Library is on Thursdays

encouraged to come dressed as their favourite character from a book.

Next Thursday due to a whole day power outage those students who are not attending League tag in Griffith will be participating in an excursion to West Wyalong.

Claire from Rankin Springs has finalised the arrangements for the 3-6 excursion to Victoria please see further information about the excursion on a note that went home with students today.

Relieving Principal

with Mrs Anderson, making an animation with Mr Hurley and Craft with Ms Frew. A great day was had by all.

On Friday I did fitness with Mrs Anderson. She made us do some punching with gloves on. Nanna is so funny I was punching her hand with the gloves on. My favourite part was running on my hands and feet with my bottom in the air.

By Isabelle Caldow

In class we made aeroplanes with paddle pop sticks and pegs. Miss Clark and Mrs McIntyre were the teachers. I drew patterns on the stick then we stuck them together.

By Stevie Rose Phillips

On Friday we did a bunny hop with Mrs McCarten. We walked backwards on a thing and we had to feel where it was with our feet. We were bending with our knees with our hands on our hips. I had a really fun time.

By Macey Anderson

On Friday we went into groups. My favourite was art because we got to paint. I got shapes and stuck them on and I felt smart.

By Ellie Voltz

On Friday we did groups. I went in Mrs McIntyre's group. We did scrapbooking. I put stuff on a soldier. He was ninety eight years old. I stuck cardboard that was rough on my sheet. It was the best thing. For lunch we had a sausage sizzle.

By Broden Davey

On Friday we did the gummy bear dance. I went to Mr Hurley's room and I did some lego animation. Mum held the camera and I moved the lego. Then we had lunch. I went home and played.

By Darby Cattle

On Friday our school did groups. The group that I was in was animation with Mr Hurley. The animation we did was about lego. There was five lego sets to choose from. One of the sets was a kitchen and another one was two cars. There was a door and a prison and a science place. We used an ipad to video it. The app was called "Stop Motion". I did the gaol. I did thirty photos. I had five characters. My favourite character was the cop. There was two robbers and two cops and bat man. One of the cop's had a gun and the other had a cup. I had a great lesson.

A Quick Bite ...

Is childhood overweight and obesity still a problem?

What can we do to prevent overweight and obesity?

- ✓ Eat breakfast daily
- ✓ Eat more fruit and vegetables
- ✓ Make water your drink
- ✓ Eat less take away meals
- ✓ Be physically active every day for 60 mins
- ✓ Limit screen time to less than 2 hrs per day.
