Term 2: Week 3

FROM THE PRINCIPAL

We would like to say a big thank you to the Bland Shire Council who have generously donated a 3rd worm farm to the school after our other two have been stolen. All students are very excited to have worms back in the garden. Especially our k-2 classroom who have the job of feeding and looking after them.

We hope all our mother's had a lovely day with their children on Sunday. I would like to acknowledge and thank Rural Aid for the generous donation of jewellery items that the students were able to use as gifts.

Tomorrow students in year 3 and 5 will participate in the NAPLAN test online. This is our 3rd year completing the test this way. We have been happy that it has been a smooth process that the students

enjoy completing. While we endeavour to complete all tests over the next 3 days, we have a 2 week window in which we are able to catch up students who are absent from any given test.

The term ahead of us is quite busy, with a number of things happening in most weeks. Please see a copy of our term calendar for all the upcoming events this term.

Don't forget our car boot sale this weekend. Come along between 9-2 set up a stall to offload some unwanted items while making some money at the same time. \$10 per vehicle.
