29th July 2019

Term 3: Week 2

FROM THE PRINCIPAL

'Every Student, Every Voice' is this years Education Week theme. It is a celebration of student empowerment and how the NSW public education systems gives students the skills they need in order to have and express a voice during their own educational journey and as engaged global citizens.

It is important that we know our students, care for our students and value them. Each and every student now have unlimited reach, we are connected globally through digital systems and unlike any other time before us one persons actions can have world wide influences and

impacts. It is important that students are nurtured and encouraged to reach their full potential so that they will be successful in a future that will require technological skills, thinking and problem solving skills, collaboration and creativity.

Our staff strive to do this every day, and it amazes us each and every day the things that Weethalle students are able to accomplish and this week we celebrate our students, their voice and their learning journey.

 SCHOLASTIC

What science tells us about why you should get lost in a great story

A photograph of four students sitting at a table. From left to right: a boy with dark hair wearing a grey t-shirt, a girl with blonde hair wearing a striped shirt, a girl with long brown hair wearing a purple shirt, and a boy with dark hair wearing a blue and white patterned shirt. They are all smiling and looking towards the camera. A red folder is visible on the table in front of the girl in the striped shirt.

Help you relax

Your heartbeat slows. Your muscles melt. One minute you're reading in and the next you're zzzZZzzzZZZZzzz.

Boost your mood

Help you relax

Bring people together
