Term 3: Week 5

FROM THE PRINCIPAL

Congratulations to everyone who entered items into the show, whether you won ribbons, certificates or just had your items on display, it is fantastic to see a small community putting on such a wonderful display to be enjoyed by many.

Thank you to Mrs Healy, Mrs McGuiness and Miss Clark for taking the time out to set up the school students entries this year.

We have received our primary excursion itinerary today from Beekom. Each primary student will have a permission note and medical information form (today) to return to the school next week. This year we are well aware of the drought and its impact on our community. As such the school has decided to fund the cost of this years excursion. The excursion is to a sports and recreation camp so when considering the health needs of your child please take into consideration the types of

activities they will be involved in.

This week marks the official dates for the Children's Book Council of Australia Awards. This years theme is: Reading is My Secret Power. To celebrate, this Friday, we will be holding a book fair in the library and costume dress up day. Students can come dressed to the theme, or as their favourite book character. Parents are welcome to join us at 9:30am this Friday for a costume parade followed by book fair in the Library
