Term 3: Week 8

FROM THE PRINCIPAL

Despite the cool change, the weather is getting warmer and the sun is stronger. For the remainder of the term all students will be expected to wear broad brim hats in the playground. Students without hats will be restricted to play in the shaded areas of our playground.

Today each family will receive envelopes with details on how to order next terms school photos online. These orders are due by the 23rd October. If anyone is having difficulties completing the order online

envelopes can be returned to school, however the preferred method for ordering school photos is through the photographer's website.

Please note a change from our usual assembly day and time. To accommodate Emergency Services Day and our STEM program, our end of term assembly will be held on Thursday 26th September at 9:30am.

We hope to see you all there.

**ORDER NOW go to www.advancedlife.com.au and enter the code

Dear Parents,

School photographs are scheduled to be taken by *advancedlife*. Whilst an envelope and flyer will be distributed shortly, if possible it is our preference that ordering be completed online to reduce administration and potential security issues related to the return of cash and envelopes on photo day.

Orders for packages and sibling photographs can be placed securely online at www.advancedlife.com.au using our school's unique 9 digit *advancedorder* code. Portrait and group package orders are due by photography day.

Should you wish to purchase a sibling photograph online, the order must be placed no later than the day before photography day. Sibling photographs will only be taken if an order has been placed.

Should you have any queries concerning school photographs or online ordering, please direct them via email to enquiries@advancedlife.com.au
