Term 4: Week 4

### FROM THE PRINCIPAL

Today we welcomed two new students into Kindergarten. It was wonderful to see our two new students and we look forward to meeting you each Monday for your orientation program and getting you prepared for next year.

This week we will be sending home a short survey reviewing our school over the past three years.

We have kept the questions brief as we know many families are busy at this time of year. If you have time to add more feedback, please feel welcome to attach extended responses to the survey. This data will be used to determine what improvements need to be made when planning for our new 4 year school plan. We look forward to your responses.

## WANTED photos for the School Year book

Due to COVID we don't have a lot of photos for our school magazine this year. If you have any photos from events held early in the year, ANZAC day and home learning etc could you please send them to

### TERM 4 REMINDERS:

PLEASE make sure students bring a water bottle every day.

Please do not send students who are unwell to school. If students are sick for 3 days they need to return with a medical certificate for absent days.

Please drop students off and pick them up outside the school gates. Remember to social distance yourselves while waiting. We are asking that staff and students are the ONLY people on the school grounds at this time. If you need to speak to your child's classroom teacher, please ring the front office and we will organise this for you.

Three actions you can take to help manage the spread of COVID-19:

1. **Wash your hands** regularly and thoroughly.
2. **Sneeze into your elbow** or a tissue, disposing of the tissue straight away and then washing your hands.
3. **Stay home if you are unwell.** We will send home staff or students who show signs of being unwell through the day.
