Term 1: Week 7

FROM THE PRINCIPAL

A massive thank you to the P&C volunteers who came in last week to help tidy up the top oval and spread bark around the school. The grounds are looking great and the timing was perfect, just before another fall of rain.

Last week students in the primary class were invited to attend a STEM showcase day in West Wyalong on the last day of term (Thursday 9th April), due to this we will be moving out Easter Hat Parade and end of term assembly to Monday 6th April.

We would like to wish Luke, Tom and Henry all the best of luck in their first round of Small Schools Cricket tomorrow being played at Jubilee Oval in Griffith. We would also like to wish those students sitting the selective schools entry test this Thursday the best of luck in their exam.

Thank you to the P&C for generously donating each child a new jumper in time for winter. As you would have seen our new jumpers have had a design change, shifting the logo to a small badge instead of a full logo.

The older style will no longer be able to be purchased but may still be worn if your child's new jumper is in the wash. The new jumpers are available to be purchased for anyone wishing a second jumper. We do not expect anyone to rush out and stock up on jumpers (especially if your child is in their last year at Weethalle) and understand that the change will be gradual over the next couple of years, however for school excursions, formal events and school photos we do request students wear the newer school jumpers.

P&C News

The P&C held a very successful working bee on Tuesday. Thanks to the use of a front end loader we were able to spread the large pile of mulch on the garden beds. The war on catheads also continued with lots of chipping and picking up of the mature plants and hopefully the oval will be sprayed after the rain.

Thanks to Andrew Sinca, Narelle Cattle, Sarah Anderson, Louise Sinca, Kel Bridge and Ian Luelf.

K-3 Home Reading Folders

K-3 students are encouraged to bring their own home reading folders to school. The folders must have a place for A4 sheets and a book. The folders can be any design, shape and size as long as they can fit in the students bag and are sturdy.
