Term 1: Week 8

FROM THE PRINCIPAL

Dear Parents

At the request of Mark Scott, Secretary of the Department of Education, in response to Covid-19 all school based events will either be postponed or be reduce in size until further notice. This will mean some school based communication such as merit award assemblies and celebrations will be postponed or limited to staff and students. It will also mean the temporary postponement of all calendared events for the remainder of the term (including zone sports trials and carnivals).

As communities and organisations adapt to these changes we will keep you informed as best we can as information becomes available.

For further information please refer to Mark Scott's address on our school website. If you require any further clarification about information please contact the school.

Thank you

Jason Hurley
Principal
