Term 3: Week 9

FROM THE PRINCIPAL

A big congratulations to our Debating Team, Sophie, Riley, Mikayla, Luke and Tom, who successfully debated that 'Plastic should not be banned in schools', last week against Binya Public School. We would like to thank Miss Tye at Naradhan for organising the debate and the Binya Public School Debating team for being challenging opponents.

We are looking forward to seeing what entries students have prepared for next weeks mock show art competition. Students are reminded they can start bringing in entries from Thursday, so that judging can take place next Monday afternoon. Photos and a video of the items will be shared on our Facebook Page and Class Dojo, so that the student's items can be showcased to a larger audience.

Parents are reminded that all current covid-19 restrictions that have been advertised throughout the term remain in effect until the end of term and, at this stage, will continue into term 4 unless we are updated of changes before the commencement of term 4.

We understand it has been difficult and we miss seeing our parents around the school, but we would like to thank the community for their ongoing support and cooperation throughout the past two terms.
