20th October 2021

Term 4: Week 3

### FROM THE PRINCIPAL

Thank you to those who attended the P&C meeting on ZOOM last night, and my apologies to those who were not able to connect due to technical difficulties. In the meeting it was decided in light of covid restrictions to hold the end of year presentation evening outdoors. To make this a special evening for all, we are planning to create a carnival like atmosphere with a BBQ and fun activities for the students to participate in, at the conclusion of the formal presentations. As with all events advertised this year, this event is To Be Confirmed and will require our current Level 3 restrictions to be eased prior to the event. We do not know what the restrictions will look like in December, however, it could reasonably be predicted that all adults attending the event will need to be fully vaccinated.

Usually this time of year we announce a dress up day for Halloween, however after meeting with students, many comment that they did not want to ruin their costume surprise for the community event being held on Halloween night. To support this community event, we will instead do a Halloween Fashions on the Field event on Tuesday 2nd November, giving students the option to come dressed for the field, Halloween themed, or a combination of both.

Jason Hurley

**Just a reminder that students are to bring a piece of fruit to eat each day for Fruit Break**

### IF YOUR CHILD IS SICK

From time to time your child may get sick and display symptoms that mean it's best to keep them away from school and see your doctor. Some of these symptoms include:

- A fever of 38 or above
- Vomiting or diarrhoea
- Severe cold or flu symptoms
- Rashes of an unknown origin.

To find out more about when you need to keep your child home from school visit <https://education.nsw.gov.au/parents-and-carers/wellbeing/health-and-safety/too-sick-to-go-to-school>.

## Nutrition Snippet

SPRINGTACULAR FRUIT AND VEG.

Try these seasonal recipes:

- [Pea and zucchini risoni](#)
- [Bliss balls](#)
- [Celery with cream cheese](#)

## Sunsmart Snippet

Don't forget your eyes

**Sunglasses don't have to be expensive to be effective**

When choosing sunglasses, ensure they meet the Australian Standard for eye protection, choose category 2 or higher and look for an Eye Protection Factor (EPF), ratings of 9 or 10 provide excellent protection.
